	<p><b>MINISTER STEVEN UPTON</b> - Steven has been involved the Spiritualist movement since 1971. He started developing his healing mediumship in 1977, attending The Arthur Findlay College as a student from 1979 and qualifying as a SNU Teacher and College Tutor in 1995, specializing in the teaching of trance and trance healing. Steven is one of the most respected practitioners and teachers of trance healing throughout Europe, the mid East and North America</p>
	<p><b>STELLA UPTON OSNU</b> - Stella took her first church service in 1990 and became a tutor at The Arthur Findlay College in 1999. Since then she has been teaching and demonstrating mediumship on a regular basis, along with private sittings for survival evidence or personal assessment. A more recent development is the painting of Auragraphs. Along with teaching at the College, she has been working with groups of students throughout the UK and internationally.</p>
	<p><b>JOHN JOHNSON CSNU</b> - "To enable us to work in harmony with the spirit world takes time, trust, discipline and practice on so many levels and it is important that those who wish to work in this work recognize this and have respect for the work they do. John regularly teaches at The Arthur Findlay College and in Holland where he has organized development groups and workshops; he has also worked in the USA, Scotland, South Africa, Switzerland, Italy and Germany.</p>
	<p><b>SU WOOD</b> - Su is an international medium and Spirit artist who travels the world sharing her Spiritual gifts. By optimizing her sensitivity she becomes aware of your friends or relatives in the Spirit world who wish to communicate. Su is a teacher and course organizer at the Arthur Findlay College which attracts students from all over the world who wish to study for mediumship, and she also teaches in Canada, the USA, Italy and Switzerland.</p>
	<p><b>LILLIAN STEINER CSNU</b> – Lillian is a tutor at The Arthur Findlay College and has her own centre for spiritual mediumship and animal communication in Lucerne, Switzerland. Lillian has researched and investigated this theme in combination with intuition and awareness extensively and by so doing has succeeded in making animal communication become a tangible and palpable reality. She runs her own practice for private sittings and animal communication and holds practical workshops in animal communication throughout the world.</p>

## Your Choice – Your Group – Your Tutor

### Communicating with Spirit - John Johnson and Stella Upton

Spiritual and mediumistic development is a mechanism for spiritual growth. The group will explore practices designed to create a transformation of the mental, emotional and spirit self. Experience the transformational effect Divine Power can have on your mediumship and the importance of the Inner Spirit as a sacred encounter between you, your mediumship, and the Divine. Learn how to strengthen that bridge between you and your spirit communication. Whether you have some level of experience or are a practicing medium this is an opportunity to develop and fine tune your skills with concentration on utilizing your mediumistic and psychic abilities in an environment compatible with your experience.

### *New Program* Foundations of Mediumship - Su Wood

So you want to be a medium but undecided about which pathway is best for you. Whatever form of mediumship you wish to develop, it all starts with a good sound foundation. This course is designed to provide you with an understanding of the basics, its various aspects, and help you choose which is best for you. It will explore the Aura, the Spirit within, Inspiration, Healing, Spirit Communication, a touch of Spirit Art, and Trance. Each day will bring a new focus with instruction and exercises to help build your knowledge and confidence. This course is suitable for all levels of experience; its goal is to provide you with an understanding of your own Mediumistic abilities and provide the tools to help you find your future direction.

### Trance Mediumship - Steven Upton

This group will focus on trance mediumship, including the aspects of speaking and healing, and how to sit for its development. Whether you are a beginner, an experienced medium, just interested in finding out more about trance, an understanding of the entranced states can improve your attunement with the Spirit World to enhance all forms of mediumship. This is your opportunity to work with an internationally renowned teacher learning mind focus techniques and empowerment exercises designed to explore the wonders of a closer work relationship with Spirit.

### *New Program* Animal Communication with Lillian Steiner

If you have ever wished you could understand your pet better or you have ever had the desire to help your pet understand you better, this is the course for you. During this week, we will be studying our pets and gaining specific information about their physical, emotion and mental well-being. We will be exploring the energy of animals in many different aspects enabling you to understand them more by using your own sensitivity and psychic ability. This deepens our connections with our kindred spirits and makes the bond between people and pets stronger and more meaningful. Animal communication will change the way you look at animals forever while making you more aware of their needs. It is a heart to heart communication which nourishes our inner lives and helps us become more aware of the spiritual connection between all living beings. Students should bring photos of their animals or pets; there will also be an opportunity for one on one interaction with local pets.
